

Francophone Immigration Support Project

Recruiting for better retention through good integration

Project goal:

To meet the unique and singular need of employers in the greater Miramichi region find Francophone workers nationally and internationally by aiming for a satisfactory retention rate.

Benefits

- Meet the labour needs of local businesses;
- Reduce the workload of employers in the search for candidates;
- Contribute to the provision of Francophone services to the greater Miramichi community through immigration
- Promote the development of the francophone community in the Miramichi region;
- Free service to employers and candidates

Responsibilities

- Search for immigration candidates within Miramichi Afro-Connection and the Miramichi Francophone community who meet the requirements of the hiring employer.
- Ensure that successful candidates obtain provincial nomination and subsequently permanent residency
- Contribute to the achievement of the Miramichi Three Year Growth Plan goals for immigrant intake by 2023
- Answer questions from employers who wish to use this process;
- Support, accompany or represent employers who wish to recruit in national or international recruitment sessions
- Welcome and guide successfully the candidates upon their arrival in the Greater Miramichi Region
- Integrate new employees into the community with the ultimate goal of keeping them in Miramichi.
